

Applications

Products:

- Custom Walk-In Coolers
- Custom Walk-In Freezers
- Floral Coolers
- Beer Caves
- Beverage Coolers
- Display Coolers
- Industrial Coolers
- Mortuary Coolers

SRC Refrigeration manufactures walk-in coolers and freezers using extruded polystyrene foam panels built to exact specifications. Our insulated panels are fitted with cam-lock fasteners and tongue and groove profiles to create an airtight seal. Our flexible manufacturing process allows complete customization, enabling us to create panels that fit a wide range of applications and design needs.
